CALLING ALL FISHERMEN

September 19th at Crossroads Church
Beachton, Georgia
9:00 am – 11:30 pm
Refreshments will be served

Have you ever wondered what it would be like to be the guy or gal every other fisherman is talking about? Perhaps you have asked yourself or others one or more of these questions.

Why is it one person seems to always find the best spot?

What bait should I use?

This is my first time fishing, is it true you don't talk a lot?

Is it true the best time to go fishing is before sun up and that some people actually stay out fishing well after sundown?

These and many more of your questions will be answered at a special gathering where seasoned fishermen will share their experience and insights with you and other eager participants.

The first 100 people to come through the door and use the secret phrase "what is a pescadore" will get free admission to a fact filled forum that will highlight the Essentials to be better equipped.

In addition to that, one lucky participate will win a fabulous prize package that will include an all-expenses paid weekend to attend one of two 3 day events in October on the Beautiful Suwanee River. Must be present to win!!!

Prize package includes a non-private cabin. (Twin sized top bunk may be substituted for King sized waterbed) Group dining, which may include limited menu selection that contain lots of gluten, an opportunity for you to learn cleaning skills, unlimited use of concrete walking trails. DISCLAIMER: Some winners may be asked to do physical acts of kindness for others and forfeit their comfort for those around them. **Email Omer or Nannette Kenworthy for more information @ oakenworthy@yahoo.com**
