COMMUNITY SPIRITUAL DIRECTOR

De' Colores NFTD Community!

I pray in the name of Jesus that your fourth day is growing your relationship with God in ways that challenge you to keep your eyes on Jesus. Remember who you are in Christ and don't pass up on opportunities to be His hands and feet. When you were commissioned on the Sunday of your Tres Dias weekend, the leadership said a few words to you, and you responded. They said, "Christ is counting on you." You replied, "I am counting on Christ." I pray this reminds you how necessary you are in the Kingdom of God. I also pray you remember to count on Christ, so you don't do things in your own strength. Jesus loves you and the Tres Dias community does too! God really did a work in you in your life on those three days, and He's not finished yet. "Through the Lord's mercies we are not consumed, Because His compassions fail not. They are new every morning; Great is Your faithfulness." Lamentations 3:22-23 -

A NOTE FROM OUR TREASURER

Hi all!

Your NFTD community financial picture is excellent! While no one likes to have price increases, the fee increases for Team members and Candidates has given us more financial breathing room. There have also been some members of the community give additional generous financial gifts. Here is our current financial report.

Pescadore Orientation Coordinator

Hey Ya'll! I just wanted to take a moment to share a few tidbits about Tres Dias with you. Bishop Juan Hervas and layman Eduardo Bonin led the first Cursillo in 1949 on a Spanish island. The first Tres Dias weekend was held in Newburgh, New York in 1972. The first North Florida Tres Dias weekend was held in 1989. Tres Dias is a movement that strives to strengthen and extend the body of Christ. There is more information about the history of Tres Dias in our PO Manual that you can read online at nftd.org. I encourage you to go online and read about the movement and know what this movement is all about.

Womens Rector #68

Hello Brothers and Sisters in Christ, Weekend #68 is quickly moving along. I am overwhelmed with gratitude of everyone that is wanting to serve. Please continue to pray as I continue putting the team together. "In His Presence"

Love you all

Cindy Croley-Rector NFTD #68

Men Rector #68

Brothers and Sisters,

We are moving forward! I want to thank you all for your encouragement and for your help as we begin establishing the team for Men's NFTD #68. It seems that we just got through meeting to plan the weekend for number 67. With the assurance of my friends and family, I'm starting to understand what previous rectors have told me... the time will fly by and October will be here before we know it!

I have asked four great men to serve as Spiritual Directors on the weekend. Terry Hurst will be our head, Mike Albritton will be in the middle and Mack Beck will be our rookie! I also have the great honor of having Bobby Strahan serve as our team Blessed Mom #06 Director in his inaugural post. I am looking forward to meeting with them soon to plan and pray in preparation for the great things that God will do.

Team selections have begun. Positions are being finalized and calls for service will begin in the coming days. I am so excited about all of the new Pescadores who have applied to serve. I am honored by the willingness of those who have served in the years prior to my weekend (North Pole Tres Dias #46) and who continue to give of their time, talent and resources to pour into a new group of men each weekend. God is honored by your faithfulness.

I'm awestruck by the love that this community has shown me and my family. The affection I have for each one of you is hard for me to put into words. You are the sweetest, funniest, kindest and most loving group of people anywhere and you are all much more than friends, you are my family.

I am thankful for the men and women that serve on our Secretariat. I am humbled by the trust they have placed in me. Please pray for for me, for Cindy Croley, our ladies rector and for the Secretariat as a whole. The work they do and the decisions that they are tasked with making are sometimes difficult. They spend many, many hours leading this community and they deserve our thanks.

Pray for the candidates. The Lord knows who they are and how badly they need this weekend. Churches will be strengthened and the trajectory of families will be forever changed. Relationships will be mended. Wounds will be healed. God will be glorified.

The theme of Men's NFTD #68 is "How Could I Want More?". We have been given so much. It is overwhelming when we consider what was done for us. The joy of our salvation is a great gift that we should all desire to share. I would like for our team to demonstrate, in spite of our limited human ability, to demonstrate to the candidates, the unsurpassing richness of the love of Christ. We have so much to be thankful for. With the help of the Holy Spirit, my prayer is to share that love in ways that exceeds anything any of these men have ever experienced.

The team song will be "I Got Saved", by Cory Voss. I cannot wait to sing it with you. It is a song we sing in the Sons of Jubal and I have yet to sing it without becoming overwhelmed by thankfulness. One of the lines in the song is, "I'm undone by the mercy of Jesus, I'm undone by the goodness of the Lord". I would charge you with that, to allow yourself to be completely undone and to be filled solely with His love.

Psalms 32:1-2 will be the verse for the weekend. It says, "Blessed is the one whose transgressions are forgiven, whose sins are covered. Blessed is the one who sin the Lord does not count against them and in whose spirit there is no deceit." Out of His unfailing love, we can experience the joy of a clean heart each day.

I don't want to waste a single minute. There is much work to be done. If you've not completed an application to serve on the upcoming weekend, I challenge you to do so. The team is filling up quickly! I can't wait to serve with you. I love you all very much.

Women's LEADER

Remember in the New Testament when the crowds knew where Jesus's boat was headed so they would run ahead to that location to be sure to not miss Him. We at NFTD #68 are offered the same blessing! Jesus will bless with a mighty outpouring of His presence on #68! We have been given a great opportunity to drink heavily from the well of His Presence. If you are interested, send in your application immediately!

Looking forward to seeing you there.

Much love,
Kay King.
Women's Leader.

MEN'S LEADER

As they say, "God showed up and showed out on NFTD #67!! Even before the weekend began, we saw healing and miracles.

As we start the preparation for NFTD #68, turn in your applications now. Jason and his heads will soon start meeting and praying over the team. They need to hear from God and you. Pray for them. Pray for the team and the next set of candidates. Pray for the Secretariat.

Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me.

Palance Couple

Thank you to our community for stepping up on the Men's #67 weekend and bringing last minute palanca. There was so much that quite a bit was carried over for the ladies. The Men's and Women's Weekend #68 is a mere 4 months away, so now is the time to be thinking about palanca. We don't want to run into what we did in April, so please be praying and planning now. If you want to do something but are overwhelmed or have questions, please reach out to us.

There are many in our community that would love to partner to share the load and the blessing.

**Blessings,
