CHAIRMAN

Over the past two weeks I have been blessed to observe the fruit of not just Tres Dias as a whole, but the connections made through this ministry in our local community. Churches of different denominations coming together to support each other's VBS activities. Pastors electing to encourage their congregation to attend revival services at another church instead of their usual midweek activities. Brothers and sisters in Christ worshipping, learning, and serving alongside each other is the heartbeat of this community.

Keep it up NFTD!

Community Spiritual

1 Peter 4:10-11 says, "Just as each one has received a gift, use it to serve others, as good stewards of the varied grace of God. If anyone speaks, let it be as one who speaks God's words; if anyone serves, let it be from the strength God provides, so that God may be glorified through Jesus Christ in everything. To him be the glory and the power forever and ever. Amen."

You have received a gift. Use it well to serve others, whether at home, at work, at church, in your neighborhood, or in the Tres Dias community. And when you feel tired or you do not have the strength to serve well, remember, it is from the strength God provides that we serve in order that God may be glorified in everything. Use your gift well for the glory of God. And when things wear you down, lean in to God for power and strength.

MEN'S LEADER

Greetings Pescadores,

Summer is here and it is HOT!!! Don't let that heat slow down your preparations to serve and sponsor NFTD #71.

Team meetings are essential and they will begin August 22 at 9AM at Lifepoint. Your attendance is essential! Remember, there is no substitute for your presence. If you aren't there, you can't help form the team. You can't learn your assigned job if you are a novice. You can't teach if you are an old hand. Let's make NFTD# 71 the best weekend ever! Be there!

De Colores,

Jeremiah 17:8 They will be like a tree planted by the water that sends out its ROOTS by the stream. It does not fear when heat comes, its leaves are always green. It has no worries in a year of drought and fails to bear fruit. ROOTS, Where are your roots? I had the Honor and Privilege to help with Vacation Bible School at Ochlocknee Baptist Church. WOW! I was Blessed. The first night when I walked in, my heart just swelled up, you see my Grandparents were members of this church. My mother was introduced to Jesus at an early age, accepted the Lord into her heart and baptized in this very Church. That is where my roots started. My roots go deep. The

Love of Jesus, that has grown these many years, and because of my roots this is where I am today. Where does your Roots start? WE all need to be rooted in Jesus. Does others see that You are rooted in HIM? My Prayer for each of you is that when others see you, they See Jesus. Roots can be a GREAT aspect to each of our Lives. If your roots are not grounded, put them up! Start fresh.

WOW! I am getting Excited about the Weekend. Kristin is walking in HIS footsteps, Asking, Seeking, and Knocking. If you would like to serve, Pray and put your Application in. There is room for YOU. Continue to Pray for Kristin, the Team, and the Ladies coming that their lives will be changed forever.

MEN RECTOR #71

Hey Everyone,

I hope this finds everyone well as we start rounding the next chapter. As we move forward into August with school starting back for the kids, our team meetings also will start. After a few rollos to review for the men's professors, we will be having our first meeting for the men's team for #71 on August 22nd.

I look forward to seeing everyone again as we continue pressing closer to October 2026. Please make the team meetings a priority as so much goes into them. Each meeting builds the team together and further His Kingdom. At the end of the day, it is His weekend and we walk it in faith. It has not been easy at times, but God continues to direct the steps daily. I encourage everyone as you attend the meetings to listen, observe, and work together in love.

The candidates will be coming through in just over 2 months now, and now is the time to be in prayer as the direction and vision He has revealed for this season comes to fruition. Please continue praying for everyone involved, and about serving as well if you feel led. I am still looking for applications, and of course we are always looking for sponsors to sponsor candidates as well!

Thank you for everything, the prayers, and please encourage each other daily in this community.

De Colores,
Randy Carlton
Rector, NFTD 71

Women's Rector #71

I pray that everyone has been enjoying their summer and you have had at least a little time for rest and relaxation. Things are beginning to ramp up ahead of the weekends and I am so excited! Our rollistas delivered their first practice talks on July 18th and we were blown away at how the Lord is weaving all of these individual testimonies into one cohesive story of how lives are changed when we surrender to Him. Our first team meeting is August 8th and the team is getting excited to fellowship and see what the Lord will do in and through us. There is still room on the team so if you have been on the fence, but feel the Lord's prompting, please fill out an application. Ask Him if this is your season to serve, Seek His response, and if it's a "yes", Knock by filling out an application form.

ASK

'A' sk Him to reign in you.

'S' eek Him in all areas of your life.

'K' nock on His door since its always open to you.

Do not forget to do good and to share with others, for with such sacrifices God is pleased. Hebrews 13:16

The true meaning of hospitality is opening your heart to others, making them feel at home in your presence. That means you can be hospitable anywhere you are. It doesn't require a fancy house or a gourmet meal. When you reach out to someone else with love and acceptance, you have shown that person hospitality. Look around you. Ask God to show you those people whom you can minister to just by opening your heart.

Palanca Couple

Team meetings begin this month, so that means that we need to be thinking and preparing our palanca. One of the biggest areas you can do that is with General Palanca letters. Remember how those touched you. Below are some reminders:

Plan now, October will be here before you know it.

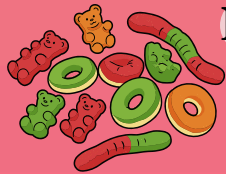

You don't have to do it alone. Please reach out to us with any questions. We're here to help and coordinate

If you aren't serving you can still right a General Palanca letter. They can be emailed to palanca@nftd.org. This is important and an easy inexpensive way to be a blessing, it only costs you time. Remember all the letters you saw on your weekend and what a blessing they were to you.

Below is a link for weekend happening around the nation and world.

Let's  Pray

Pre-Weekend Couple

Hello Tres Dias Fam,

It's getting to be that time, We are so excited to get the ball rollin again this month! In just a few short weeks a lot will be happening, School will start back up, Our meeting will start as we get to know each other or rekindle the friendships Daddy God has given us throughout the years as we plan for the weekend Daddy God is preparing for us and for candidates. For all of you new servers just know that no matter where Daddy God has placed you on the team He has handpicked you to be there. The people He has placed with you in your section will be friends that you will bond with in way you never thought possible. Not only has He handpicked you to be there but He has anointed you. If you are called for Prayer and you think "Well I don't pray out loud why God." Don't worry He Has anointed you to do the task He will put before you He is teaching you things you need to be the best leader you can be.

And Speaking of Leaders isn't that what we are all about?

Why yes, my friends that is exactly why we do this Tres Dias thing twice a year. To build up Leaders in our local churches. Have you looked around your church. Is Daddy God highlighting someone who needs to be a leader or who is a leader and needs a little Grace and Love to help them in their role. Well, great news have we got a weekend for them. Pray First about anyone you think may be ready. And remember we are not to fix anyone. We are to give tools to help walk out our Christian walk and to be Christ Like in all we do. If Daddy is Highlighting someone to you, get up the nerve and go talk to them about the weekend. Don't lie, don't act like we in the "club", but remember not to share the sweet little surprises Daddy has for them through us.

Just talk to them if they are interested in going through then direct them or take them to NFTD.org Tab applications You can either print one and email it to preweekend@nftd.org or there is a place to fill one out online and that one comes straight to us.

We will soon be reaching out to all the Sponsors who submitted an application for last Spring to check on their candidates if they are still able to attend in the fall. Thanks to all those who have already let us know one way or the other about your candidates. If you had a candidate last Spring Please touch base with them and see where their hearts are. We only have 36 spots for the men and 36 spots for the women We want to give those who were expecting to go through Last Spring the first priority to attend in Oct. If you haven't heard from us in the next three to four weeks Please reach out to us either via email which is listed below or our phone numbers are listed on the website. We are here to help you through the process of sponsoring and we will answer any questions or concerns and guide you in any way we can. **YOU ARE NOT ALONE!!** we are here for you!

We are so excited to get to meet with and work with all of those Daddy God is sending to become a part of the Fam!!

Erasers Can't Erase the Past

An eraser can remove pencil marks from a page, but there is no eraser that can remove our past. We all have mistakes, regrets, and seasons we wish we could rewrite. The good news is that while we cannot erase yesterday, God can redeem it.

The Bible reminds us:

"Forget the former things; do not dwell on the past. See, I am doing a new thing!" — Isaiah 43:18–19

God doesn't ask us to pretend our past never happened. Instead, He invites us to learn from it, grow through it, and trust Him to use it for His glory. Our past becomes a testimony of His grace, not a life sentence of guilt.

When we bring our failures to Jesus, He offers forgiveness, healing, and a fresh start. We can't erase our past, but through Christ, we can move forward with hope, knowing that His mercy is new every morning.

Prayer: Lord, thank You that although I cannot erase my past, You have forgiven me through Your grace. Help me learn from yesterday, walk faithfully today, and trust You with tomorrow. Amen.

Ken and Kerri Bennett. First we would like to thank the community for their support on being elected to the secretariat. We love this community, as it has done so much for our walk with Christ. SECRETARY

Yt all - not much to share from the secretary of the Secretariat yet (I haven't gotten started just yet) but I would like to share my devotion from this morning as I watched the sun come up over Port St. Joe, in hopes that it will encourage you.

"Those who put their hope in the Lord will get new strength to keep going." — Isaiah 40:31
Life can leave us feeling weary. We face disappointments, unanswered prayers, and days when we wonder if we have the strength to take one more step. God never promised that life would be easy, but He did promise that those who place their hope in Him will receive new strength.

Our hope isn't based on our circumstances—it is rooted in God's unchanging faithfulness.

When we trust Him, He renews our hearts, lifts our spirits, and gives us the endurance to keep moving forward, even when the path is difficult.

If you're feeling tired today, don't rely solely on your own strength. Bring your burdens to the Lord. He is able to refresh your soul and provide exactly what you need for today. One step at a time, He will carry you through.

Data Coordinator

Hello to my brothers and sisters of North Florida Tres Dias:

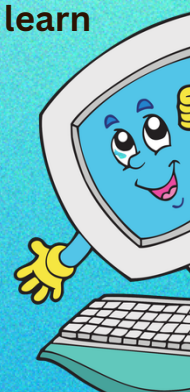

This is my first letter to you in my new post as Data Coordinator. I was happy to just serve on weekends and to have been Rector recently. I was wanting to take a break from serious business for a while. Then, I got the call to be a part of the secretariat and I was quite hesitant at first. But I was also aware of the void that existed in the position. After some careful prayers I heard Him calling me to step up.

I am both excited and frightened to take on the post. I have talked with previous data coordinators and there is a lot more to the job than I had anticipated. But, as with all tasks that He assigns us, I know there will be divine help to get me through it.

I am sure there will be some growing pains. Please be patient with me as I learn and grow in the position. Prayers are always greatly appreciated.

De Colores,
Walaa Magharious
Data Coordinator (NFTD 41)

Fourth Day Couple

Patrick and I are excited to be your new 4th day couple. This will be a new journey for both of us and we know that the Lord has good things in store for our community.

One of our first things we'd like for the community to do is to pray about holding a Sequela at your home church. The Sequelas are typically the 2nd Saturday of the month except for April, July, October and December. Please reach out to us at 850-519-3360 or email us at melissamk0714@aol.com.

Our next Sequela will be Saturday, August 8th at Crossroads Church in Beachton, GA. Dinner starts at 5:00. Meat and drinks will be provided. Please bring a side dish or dessert to share.

We would like for everyone to wear an old name tag when attending a sequela and if you forget, we will have a name tag for you.

Patrick & Melissa Smith

PO Coordinator

I am so excited to join the secretariat and serve the community as the Pescadore Orientation Coordinator! Pescadore Orientation is an opportunity for you to learn more about the heart, structure, and mission of North Florida Tres Dias.

During P.O., you will discover how Tres Dias continues to impact lives through sequelas, sponsorship, prayer, and serving on future teams. It is also a great time to connect with other Pescadores and learn how you can become an active part of the Fourth Day community.

Just a reminder, if you are planning on serving or sponsoring on one of the upcoming weekends, you need to have attended a P.O. within two years. Even if you are not planning on serving, you are welcome to come join us. Come ready to learn, connect, and take your next step in living out your Fourth Day with purpose!

Pescadore Orientation will be August 15th at Seminole Baptist Church in Tallahassee from 9:30 - 11:30am. The church is located at 3330 Mission Rd. Tallahassee, FL 32303. Doors will open at 9:00am for fellowship, coffee, and light refreshments.

The journey does not end with the Weekend—it continues as we grow together in faith and service! De Colores!
