A Note From Our New Chairman...

Hello Community! I am so excited to address you as the new Chairman of North Florida Tres Dias. I am looking forward to serving alongside each of you as well as the Secretariat. Together we can do great things as we continue our daily walk in growing closer to our Lord Jesus Christ. I know that we each had a unique Tres Dias weekend experience even though we are from different backgrounds and denominations, but we are united in our understanding of how that experience enhances our walk with the Lord. Our abilities as leaders in our local church and community are also empowered by our experiences in attending or serving a Tres Dias weekend. There are many out there that may want to experience a Tres Dias weekend as well and our first step of sponsorship is prayer. I also encourage all of you to attend our next Pescadore Orientation where we learn more about sponsoring and the essential parts of a Tres Dias weekend. One of the special blessings of Tres Dias is the sense of family and the opportunities to come together as one. I encourage you to put Secuelas on your calendars this year so that we can all get to know one another better and form lasting relationships.

Many Blessings,

Doug Kirk

A Note From Our Upcoming Spring Rectors...

What did I gain from this encounter with JESUS and what does JESUS mean to me now? The questions we've all been asked.

I realized during my weekend encounter that I had not released fear, rejection, unforgiveness, hurt and pain, and that I had such 'freedom through surrender' in the arms of a loving SAVOIR. As my walk with HIM has increased, my Faith has increased further still. My encounters with GOD do not have to be on occasion, but are daily. My hope is in HIM. HIS joy is my strength. I will rejoice no matter my circumstances.

I believe GOD'S desire for NFTD Women's Weekend #46 is for healing, restoration, cleansing, and to be transformed by the HOLY SPIRIT as we move into HIS presence. The theme for the weekend is "That I May Dwell, Face to Face". The scripture is Hebrews 10:22 Let us draw near with a sincere heart in full assurance of Faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water.

*Let us draw near.....that's face to face
with full assurance of Faith.....stand, abide, dwell
hearts sprinkled clean.....JESUS blood sacrifice, healing place
washed with pure water.....that's river of life*

With every phone call I make to bring this team together I hear and feel such excitement, this has to be an overflow of GOD'S excitement for what is to come on the weekend. I cannot wait, I am soooo excited!!!!!!

The preparation for the men's weekend has been an honor and a blessing. The Lord continues to use this movement to further his purposes and grow me and my family towards Him. The theme, "Jesus Loves Me", gives me opportunities to speak powerfully and prophetically every day. I have been blessed in conversations by those responding to His call to participate in the weekend experience. The joy of hearing a positive response, and hear individual testimony from guys willing to serve and sacrifice their time, energy and finances, is an overwhelming blessing, and I get to hear that, and experience that, over a hundred times, as a blessing for being chosen Rector.

I pray blessings on those that have responded so positively. And I pray a special blessing on those that have responded so positively, even when they had to decline or defer to another date.

The love of Jesus is, in fact, the great motivator. It moves us to serve. It moves us to love. And the love of Jesus provides us comfort, even in times of great sorrow and tragedy. We are all saddened by the passing of Billy Meredith, but we can all take solace in knowing the Jesus loved Billy, and the love of Jesus gave Billy the capacity to love Jesus, and to love Susan, and to love others, and for that we are all thankful, and we will rejoice in his homecoming.

Jesus provides for each of us the love, peace and joy to move forward and to grow. I find that each weekend has its own character, but they all convey the "Tres Dias message of grace". I'm looking forward to the work that He will do as the "hands and feet" come together in preparation to, once again, see God work, in His people.
