Chad and Dude recommended that we go with Music Masters due to Phillip being a Tres Dias member along with his great customer service and offering to set up the equipment and train on how to operate the equipment. Andy advised Chad and Dude to meet with Phillip Adams to find out when the system could possibly be purchased and installed. It was also suggested we might get other options for cost.

Some options to help cover costs were suggested that we might be able to sell a trailer to compensate for the cost, or have a fund drive and sell Krispy Kreme donuts or coffee. It was decided to table this item until the February meeting to allow Chad and Dude time to speak with Phillip.

**PO Training Dates** - Becky Strahan stated she needed the new members' pictures to add to the PO presentation. She asked if it would be possible to put a short video about the essentials of
