bushes, or grapes from briars. A good man brings good things out of the good stored up in his heart, and an evil man brings evil things out of the evil stored up in his heart. For the mouth speaks what the heart is full of." Kyle reminded us that we all can get defensive. People know us by the fruit we bear. We need to be a Christian example by our own actions with what and whom we represent. This community has the ability to reach everyone who comes in contact with Tres Dias. Be mindful that out of the abundance of our heart, will come out of our mouth. Be the best Christian we can be. People are watching us. We need to be full of Christ.

OLD BUSINESS

1. Updated Books for Sections - Sean said the committee helping with updating the books have barely started. He is still hoping for the possibility of a rough draft ready for the May meeting. **Tabled for April meeting**
2. Sound System - Dude and Chad will check our current sound system and reported that two speakers work. We currently have eight mics. They provided a new proposal from Music Masters for four speakers, a one touch base with wireless accessories which totaled \$9,492.36. Vick Paramore said he had a sound board with powered speakers we could use if needed. If we get a new sound system there needs to be a way to store it the proper way to prevent and damage. Dude said he could build an L-shape table for storage to use in the Rolla Room. Chad and Dude will also check the possibility of renting equipment to use for the April weekend. Jessica Whitfield suggested we wait on purchasing a new sound system until we are definitely sure that is what we want. It was decided that Andy, Chad, and Dude would go to Music Masters to look at the system in question. **Tabled for April meeting**

NEW BUSINESS

- There was no new business to discuss at this time.
