

NORTH FLORIDA
TRES DIAS NEWS

JULY/AUGUST 2009

20 YEARS ... are you Serious?!!

A long time ago, in decades past, a dedicated group of men and women from the Atlanta area conspired with an equally dedicated group of N. Florida men and women to band together and present the concept of grace to a bunch of clueless men and women on the banks of the Suwannee. Thus NFTD #1 became a reality 20 years ago. TWENTY YEARS!!!

What were these “dark ages” of NFTD like? Total DEDICATION! The cabins had no water pressure or air conditioning, the chapel had to have its stage walls built each time, and so much of what we did was a surprise (cause all was still new and we were trying to figure it out for ourselves). Tres Dias ... was it a cult, a move of God or what was it hardly anybody had heard of it, and yet, 20 years later and with thousands of lives changed, God is still pouring His grace upon our movement. Over this time period, we helped start communities in Tampa, Tennessee, Moscow, Orlando, the Ukraine and a smattering of other places. WOW!

So fellow Pescadores, we will be gathering for a special 20th Anniversary Sequela on **Saturday, September 19th at 6 PM at Fresh Fire** on North Monroe. We have teams who will be cooking, decorating, making us laugh, and helping us to remember 40 weekends of God's Grace poured out upon us. Simply put COME! We will reminisce, tell stories that will bless and not embarrass any of us (yeah, right!) and simply rejoice in God's leadership in our lives over the last 40 weekends and those yet to come.

On behalf of the Secretariat, we bid you COME!

Chairman
