From the Heart of The Rector...

Wow!!! What a wonderful time I am having in the Lord. He is taking me "Further Still" each day that I walk with Him. He has provided me with wisdom, and has revealed things to me and I am so full that I can hardly contain myself... Well the truth be known I am unable to contain myself and if you are around me for a minute I will spill out all over you. God has been teaching me so much and has been revealing who I am in Him. He has shown me that each time He chooses a rector that He reaches inside of the rector and pulls out their life string and dusts it off and begins to fine tune it for that season. This is one of the reasons we, as part of His body, have so many different life experiences and He want us to let Him use them to bring glory to Himself. I now understand why I am the way that I am and why He chose to reveal Himself to me in the manner that He has chosen. He has lead me to the study of King David's life, I thought it was for others but it was for me. He is showing me how we are like David ... He is showing how that I am strong, and yet understanding. How I am ready to stand up and fight, yet tender hearted. How about you...are you strong yet tender hearted? How I want to walk closely with Him, yet sometimes I make bad decisions that cause a break in our fellowship.. I want to recognize it when I walk away from His presents so that I can repent and come running back. This is a life long journey. May we always seek Him.. This life is about relationships, and we are to engage in various kinds of relationships with the ultimate one being with Him.

Ladies I am currently, mediating on Philippians 3:12-14 "Not that I have now attained this Ideal, or have already been made perfect, but I press on to lay hold of and make my own, that for which Christ Jesus, the Messiah, has laid hold of for me and made me His own. I do not consider, brethren, that I have captured and made it my own yet; but one thing I do it is my one aspiration: I press on toward the goal to win the supreme and heavenly prize to which God in Christ Jesus is calling us upward." My hope is that the Lord Jesus will infiltrate your mind, heart and soul. I am prayerfully considering where everyone will be serving on weekend NFTD # 41.. If you have not turned in an application please prayerfully consider filling one out and turning it in. If you have not turn one in yet, it is not too late!!! I am just beginning to call the professor's and the Head's and will be calling the rest of the team sometime in the Months of June and July. So if you have not heard from me do not begin to worry yet...

May the God of all creation and who is worthy of all our praise fill you with the a strong will to believe and know that He is GOD!! The one and only lover of your soul.

And Steve says....

Hello from the Journey of Men's NFTD #41

" I Know.....I Believe "

Paul wrote to Timothy in his final days, words of encouragement and instruction. But he also wrote one of the most powerful testimonies that any human could testify to and that is in II Timothy 1:12 "...I know Whom I have Believed ...".

Paul had learned through God's guidance and grace. He knew his Savior & King and that come what may, he could totally trust Him, in all things. Thus, we find ourselves on Paul's journey. Do we know? Do we believe? We will find out, so let the journey begin ! Join with me and pray for God's "I Am" to be all we seek!

Blessings on You and Yours,

Steve Greene, Rector
